

Jaih B. Craddock, Ph.D., MSW
University of Maryland, School of Social Work
252 West Redwood Street, Baltimore, Maryland 21201
Jaih.Craddock@usc.edu

AREAS OF INTEREST

- Multimedia Intervention Development • Social Networks Analysis • HIV/AIDS
- Decision-making & Social Influence • Black Women's Health • Health Disparities

EDUCATION

- | | |
|-----------|--|
| 2013-2019 | Ph.D., USC Suzanne Dworak-Peck School of Social Work, University of Southern California Los Angeles, CA
<u>Dissertation Title:</u> Sex Talks: An Examination of Young Black Women's Social Networks, Sexual Health Communication and HIV Prevention Behaviors |
| 2015 | M.S.W., USC Suzanne Dworak-Peck School of Social Work, University of Southern California Los Angeles, CA |
| 2012 | M.A., Sexuality Studies, San Francisco State University San Francisco, CA
<u>Master's Thesis Title:</u> Resiliency in Black Women Living with HIV |
| 2008 | B.A., Double Major: Child and Adolescent Development & Industrial Design emphasis in Visual Communication, San Francisco State University San Francisco, CA |

POSTGRADUATE TRAINING & FELLOWSHIP APPOINTMENTS

- | | |
|--------------|--|
| 2019-present | Scholar, HIV Intervention Scholars Training Program (HISTP), Columbia University |
|--------------|--|

ACADEMIC POSITIONS

- | | |
|--------------|---|
| 2019-present | <i>Assistant Professor</i> , University of Maryland, Baltimore School of Social Work Baltimore, MD
<u>Courses Taught</u>
SOWK 783: Qualitative and Cross Cultural Research |
| 2017-2018 | <i>Graduate Student Lecturer</i> , USC Suzanne Dworak-Peck School of Social Work Los Angeles, CA
<u>Courses Taught</u>
<i>Virtual Academic Center:</i> SOWK 546: Science of Social Work
SOWK 546: Science of Social Work |
| Fall 2016 | <i>Teaching Assistant</i> , USC Suzanne Dworak-Peck School of Social Work Los Angeles, CA
<u>Courses Taught</u>
SOWK 544: Social Work Practice with Individuals, Families and Groups Virtual Academic Center |

Fall 2010 *Teaching Assistant*, School of Ethnic Studies, San Francisco State University | San Francisco, CA
Courses Taught
 AFRO 370: Health, Medicine, and Nutrition in the Black Community

RESEARCH SUPPORT FUNDED

Principal Investigator	NIH/NIMHD Awarded: 4/19/18	\$63,831	F31 NRSA Pre-Doctoral Fellowship. <i>"Individual-level and Social Network-level Influences on HIV Prevention Methods Among YBW"</i> Impact Score: 13
------------------------	----------------------------------	----------	---

RESEARCH SUPPORT COMPLETED

Principal Investigator	Pilot Grant Program 5/2016 – 8/2016	\$1200	USC School of Social Work's Behavior, Health and Society Cluster: <i>"Sexual Health communication in Social Networks of Young Black Women at Risk for HIV."</i>
------------------------	---	--------	---

RESEARCH EXPERIENCE

2015- Present **Graduate Research Assistant**, Have You Heard HIV Intervention, University of Southern California, School of Social Work | Los Angeles, CA
 The Have You Heard HIV intervention is a peer-lead HIV and Hepatitis C preventative intervention for homeless youth in Los Angeles which uses AI technology to examine and select the best placed peer-leaders within social networks based on alter positions within homeless youth networks.
Role on Project: measurement and scale development, recruitment, training peer mentors, developing resources guides and collecting and analyzing data.
 Principal Investigator: Eric Rice, Ph.D.

2016- 2017 **Graduate Research Assistant**, HOPE Study Project, University of California – Los Angeles, David Geffen School of Medicine | Los Angeles, CA
 HOPE intervention is a peer-lead Facebook-based HIV preventative Intervention for MSM populations in Los Angeles.
Role on Project: training peer leaders for both control and intervention arms, developing HIV-related and general health resources and collecting and analyzing social network data.
 Principal Investigator: Sean Young, Ph.D.

2013- 2015 **Graduate Research Assistant**, HIV and Homeless Women's Project, University of Southern California, School of Social Work | Los Angeles, CA
 The HIV and Homeless Women's Project is an HIV intervention adaption study geared towards decreasing HIV risk in homeless women.
 Assisted in conducting, during the final phase of a multi-phase research project, a randomized controlled trial to test efficacy of adapted EBI for HIV prevention among homeless women living in Skid Row.
Role on Project: interventionists, coding, cleaning, analyzing data, and presenting and publishing papers. Principal Investigator: Suzanne Wenzel, Ph.D.

- 2014- 2015 **Research Assistant, Passport to Wellness, Los Angeles Centers for Alcohol and Drug Addiction | Los Angeles, CA**
 Passport of Wellness is a peer-led HIV prevention intervention program for Black MSM.
 Assisted with development of the HIV randomized control trial intervention and materials for training peer mentors. Participated in training and providing support for peer mentors participating in the intervention.
Role on Project: measurement and scale development, training peer mentors, developing resources guides and collecting and analyzing data.
 Investigator: Nina Hawara
- 2010-2013 **Research Assistant, You and Me Study, Center for Research on Gender and Sexuality | San Francisco, CA**
 Participated in conducting a mix-methods research project which developed and test a power and risk scale to measure the impact of relationship power dynamics on HIV risk in gay male couples.
Role on Project: recruitment, qualitative interviewing, coding, cleaning, analyzing data, and presenting and publishing papers. Principal Investigator: Colleen Hoff, Ph.D.
- 2010-2013 **Research Assistant, Gay Couples Study, Center for Research on Gender and Sexuality | San Francisco, CA**
 Participated in mix-methods longitudinal research project investigating relationship dynamics, communication and HIV risk in gay male couples. *Role on Project:* Screening, scheduling and hosting couples, and data collection, entry, and analyzing. Principal Investigator: Colleen Hoff, Ph.D.

FELLOWSHIPS AND HONORS

APHA Annual Meeting Student Scholarship American Public Health Association	November 2017
Social Network & Health Fellow Duke Network Analysis Center	May 2017 – 2018
Hamovitch Summer Research Fellowship USC Suzanne Dworak-Peck School of Social Work	May – August 2018, May – August 2017, May – August 2016, May – August 2015
ECPN Travel Fellowship Society for Prevention Research	May 2017
Qualifying Examination Distinction USC Suzanne Dworak-Peck School of Social Work	November 2016
ECPN Student Poster Contest Winner Society for Prevention Research	May 2016
Minority Travel Fellowship	May 2015

Craddock, J.B. (2019, February). *Social Interactions as a Mechanism for HIV Prevention*. Emerging Scholar Lecture, University of California, Berkeley School of Social Work.

^McReynolds, J. (2011, February). *Understanding the importance of culture competency and cultural shock around research in marginalized communities*. Paper presented at the Center for Research and Education on Gender and Sexuality, San Francisco, CA.

RESEARCH SKILLS

- | | |
|-------------------|--|
| Research Methods | <ul style="list-style-type: none">• <i>Quantitative methods</i>: linear and logistic modeling, multivariate analysis, multilevel modeling, and latent class analysis• <i>Social network analysis</i>: ego-centric data analysis and socio-metric data analysis (e.g., ERGM models, P*)• <i>Qualitative data analysis</i> |
| Computer Software | Extensive knowledge and experience: <ul style="list-style-type: none">• Statistical software: R and R studio, SAS, SPSS, STATA, and Mplus• Qualitative software: Atlas.ti, NVivo and Transana• Citation management: Endnote• Adobe Creative Suites: Photoshop, Illustrator and InDesign |

CLINICAL WORK EXPERIENCE

- | | |
|-----------------|--|
| 5/2015 – 9/2015 | <u><i>Volunteer Case Worker, Center for Community Health Downtown Los Angeles: JCHW Institute Los Angeles, CA 95hrs</i></u> <ul style="list-style-type: none">• Conducted Biopsychosocial assessment with adults working to find housing• Provided one-on-one therapy for clients• Practiced trauma-focused cognitive behavioral therapy, motivational interviewing and other models of therapy. |
| 5/2014-9/2014 | <u><i>MSW Intern, Los Angeles Centers for Alcohol and Drug Abuse Los Angeles, CA 550hrs</i></u> <ul style="list-style-type: none">• Conducted Biopsychosocial assessment with adults working to decrease drug and alcohol use;• Lead psycho-education and therapy groups of 5 - 20 adults.• Provided one-on-one therapy for clients.• Practiced trauma-focused cognitive behavioral therapy, motivational interviewing and other models of therapy. |
| 8/2013-5/2014 | <u><i>MSW Intern, Alma Family Services Los Angeles, CA 450hrs</i></u> <ul style="list-style-type: none">• Conducted Biopsychosocial assessment with children, adolescences, and adults;• Provided psycho-education and therapeutic services to families and individuals; |

- Practiced trauma-focused cognitive behavioral therapy, motivational interviewing and other models of therapy.
- Managed Department of Mental Health paper work.

2012- 2013

Reproductive Health Specialist II, Planned Parenthood Shasta Pacific / San Francisco, CA

- Delivered prenatal, family planning and abortion services, including education about birth control, and pregnancy;
- Provided general information regarding medical services, including preventative health care, infections, medications and treatments;
- Provided HIV/AIDS testing and counseling;
- Took client vitals, medical histories and documented current medications and prescription refills;
- Prepared clients for examination and explain treatment procedures; and
- Assisted clinician during examinations, as needed.

2008-2010

Project Coordinator, NIMH Career Opportunities in Research Program, San Francisco State University | San Francisco, CA

- Mentored under-represented undergraduate students who were interested in applying to graduate school.
 - Created academic career plans with students to help them achieve their goals.
 - Worked directly with the Principal Investigator on grant writing for the project.
 - Organized meetings, workshops and seminars for students and faculty members.
 - Managed budgets, maintained websites, and made travel arrangements for both students and faculty members.
 - Attended professional conferences and presentations with students.
- Principal Investigator: Sacha Bunge, Ph.D.

2008-2011

Graduate Secretary, Psychology Department, San Francisco State University

- Worked with graduate coordinators to plan graduate informational events.
 - Organized graduate applications, communicate with potential graduate and current graduate students, and created contacts with other universities.
- Supervisors: Sacha Bunge, Ph.D. and Matthew McDermid

COMMUNITY-BASED WORK

2017

Volunteer, California's Black Women's Health Project | Los Angeles, California
Participated in community outreach and attended health service events

2012

Summer Institute Staff, Center for Research and Education on Gender and Sexuality, San Francisco State University | San Francisco, CA
Organized meetings, workshops and seminars for students and faculty.

2011- Present

Domestic Violence Hotline Counselor/ Shelter Volunteer, La Casa De Las Madres | San Francisco, CA

Answered DV crisis hotline, provided resource and services to clients, supported domestic violence victims on and off the phone, assisted with setting up drop-in counseling appointments, worked with children who have witness or experienced domestic violence and assisted with daily tasks in and around the drop in center.

[^] Last name changed from McReynolds to Craddock as of August 2013

- 2003-2010 *Mentor/ Counselor, Young Ladies in College Mentoring, San Francisco State University | San Francisco, CA*
Mentored and advised college women in school and life decision, plan sisterly activities, and put on workshops focusing on sexual health, financial management and issues in the college women's community.
- 2008-2010 *Secretary, Board of Directors, Ivy AKAdemy Foundation – San Francisco / San Francisco, CA*
Handled correspondence, took meeting minutes and prepared meeting documents for review.
- 2006 *Youth organizing intern, Leadership Excellence Youth Program / Oakland, CA*
Created and planned activities and educational workshops for the youth in the Oakland community.
- 2003-2005 *Student Representative at-large (Executive Board Member), Associated Students, Inc., San Francisco State University / San Francisco, CA*
Conducted meetings with faculty and administrators to discuss the needs and concerns of the San Francisco State University students.
- 2003-2004 *Director, Student Empowerment and Involvement Center, San Francisco State University / San Francisco, CA*
Organized student events and community service on and off campus, managed staff and volunteers, and communicated and built relationship with local business and community centers.
- 2002-2004 *Youth Counselor, P.R.I.M.P. (Positive Results If Maintained Periodically) Girls Program / Antioch, CA*
Created sex and relationships workshop, lead group discussion and activities, spoke about college and my experiences as a minority in college, and organize college tours.
- 2002-2004 *Volunteer, ASI Women Center, San Francisco State University / San Francisco, CA*
Organized women's support groups and helped plan activities.

STUDY ABROAD EXPERIENCE

- Winter 2011 New York University at Pontificia Universidad Católica Madre y Maestra | Santiago, Dominican Republic
Intercultural Perspectives in Multilingual & Multicultural Education
Culture and Language Learning in Real Time – Spanish
- 2007-2008 Brunel University | London, United Kingdom | Multimedia Technology

SERVICE AND AFFILIATIONS

- January 2015 *Session Moderator: Women and HIV*
Society for Social Work Research (SSWR), New Orleans, LA.

8/2014 – present *Social Chair*, Suzanne Dworak-Peck School of Social Work's Doctoral Student Association | University of Southern California
